If you support these kinds of activities, we are currently looking for people who would like to work with us.

More information about the Satoyama no Kai's activities are posted monthly on Seika Town's home page (Japanese only).

※In August or in times of bad weather, these preservation activities will not be held. For this fiscal year, October's activities will be held on the third Sunday (10/21) and November's activities will be held on the second Saturday (11/10).
