ADDRESS CHANGE NOTICE WHEN MOVING

Whether you're moving for school or for work, as a general rule your address is wherever you currently live. Since this address is printed on your residency certificate, which is used for registering to vote in elections and for various government services, so don't forget to submit a notice to Seika Town Office's General Service Counter when moving. By law, this notice must be submitted within 14 days of moving in or out of Seika Town. If your address or name changes, the information printed on your My Number Card (or Notification Card if you haven't received a My Number Card yet) will have to be changed as well.
