

2026 Seika Garbage Collection Schedule

April 1, 2026 - March 31, 2027

Garbage Collected by Seika Town

Place appropriate waste out for disposal at collection areas **before 8:00 AM** on scheduled days. (Bags containing different types of garbage will not be collected.) **Use transparent or semi-transparent plastic bags for disposing your trash.**

Category		Collection Day	Type of Waste	Instructions & Warnings
Burnable Garbage		Every week Twice weekly _____day & _____day	<ul style="list-style-type: none"> Food waste Wood shavings Futons, etc. Bottles and tubing that cannot be washed clean 	<ul style="list-style-type: none"> Drain excess liquid from kitchen waste before disposing. Tie wooden boards in bundles up to 10 cm wide and 2 cm thick along with wood blocks not exceeding 8 cm on any side in bundles of up to 15 cm in diameter and 50 cm in length. (Up to 3 bundles may be disposed of at a time.) Dispose of any small plastic, leather, or rubber items in garbage bags with food scraps as burnable garbage. (There are items that do not fall under this category, so please refer to the garbage sorting dictionary). (Collected on all holidays except the end of/new year holiday.)
		_____day & _____day	Support recycling efforts by taking newspapers, magazines, cardboard, paper cartons, used clothing, and other recyclable paper to local collection centers. These materials can not be collected as burnable garbage if they are not dirty.	
Non-burnable Garbage	Cans	Twice monthly	Cans, Scrap Metal, Small Electronics: Steel or aluminum cans, metal scraps, etc.	<ul style="list-style-type: none"> Garbage must fit in a 45 liter garbage bag where the top can be tied. Dispose large items that cannot fit into the bag as "Oversized Garbage." Divide cans, bottles, and plastic waste into separate plastic bags. Small electronics can be put into the same bag as cans for disposal. Empty any remaining product and wash inside of dirty containers lightly before disposal. Make sure aerosol spray cans are completely empty before disposal. (Collected on all holidays except the end of/new year holiday.) <p>* Collection boxes for used ink cartridges are located at: the entrance to Seika Town Office, Seika Town Community Hall, Kashinoki-en and Mukunoki Center. Recycling collection occurs on the operating days of these places.</p>
	Bottles	_____week & _____week	Bottles, Glass Objects: Bottles, flower pots, glass, fluorescent light bulbs, etc. (remove caps & labels)	
	Plastic	_____day	Plastic Waste (Other than packaging): Plastic containers (gas), buckets, etc.	
Plastic Packaging		Once weekly _____day Check for this mark on package 	Plastic Containers & Wrapping: Egg containers, bottles such as those containing shampoo, plastic shopping bags, plastic cup noodle containers*, caps and labels of plastic bottles, etc.	<ul style="list-style-type: none"> Empty any remaining product and wash inside of dirty containers lightly before disposing in the same location as other "non-burnable garbage." Items that cannot be cleaned can be disposed with the burnable garbage. (Collected on all holidays except the end of/new year holiday.) <p>* Please dispose of cup noodle containers made of paper with other "burnable garbage."</p>
Plastic Bottles		Twice monthly _____week & _____week _____day Check for this mark 	Plastic liquid containers (Bottles containing beverages, alcohol, soy sauce, mirin seasoning, vinegar, salad dressing, etc.) Please dispose the caps and labels of plastic containers and plastic bottles containing sauce, oil, soap, detergent, etc. with other plastic packaging waste.	<ul style="list-style-type: none"> Confirm that disposed items have the "1 PET" recycling symbol. Remove labels, caps, and other substances from the bottle and dispose of in a transparent or semi-transparent plastic bag on the designated day by 8 a.m. in the same area as non-burnable garbage. (Collected on all holidays except the end of/new year holiday.)

Oversized Garbage		5 times a year ___ Month ___Day ___ Month ___Day ___ Month ___Day ___ Month ___Day ___ Month ___Day	Furniture & Appliances Furniture and home appliances, etc. (Garbage that cannot fit in a 45 liter bag) *Use all of the kerosene oil in the space heater before disposing. (Appliances that do not fall under Japan's Appliance Recycling Law, such as driers, televisions, air conditioners, refrigerators, washing machines, computers, etc. cannot be collected)	<ul style="list-style-type: none"> Air conditioners, televisions (box, LCD, plasma, & organic electroluminescence), refrigerators (freezers), washers, and dryers must be returned to a store that sells/buys appliances such as where the appliance was originally purchased or a store where replacement appliances are purchased. For large computers (monitors or desktop computers) that do not fit in the small electronics drop off box at the town office, please arrange to have it picked up at your residence or consult the manufacturer. (Collected on holidays.)
		3rd Wednesday of every month (If it is on a holiday, will be collected the following Wednesday)	Newspapers, magazines, cardboard, paper cartons, used clothes, or other recyclable paper	<ul style="list-style-type: none"> Divide into the following categories: newspapers, magazines, cardboard, paper cartons, used clothes, and all other recyclable paper before disposal. Confirm with organizations handling the recycling of paper such as community or children's associations about disposing paper products locally. Please refer to the <u>garbage disposal dictionary to confirm the collection locations of recyclable paper, as there are times where it is different than usual.</u> Take recyclable paper products to your local collection center when possible.
Batteries	Used	As needed	<ul style="list-style-type: none"> Dispose of used alkaline and magnesium batteries at collection locations such as assembly halls established in each area. 	<ul style="list-style-type: none"> Remove packaging before disposal. <u>Button/coin cell batteries are not accepted.</u> Dispose of these batteries at participating stores.
	Rechargeable	Weekdays (Seika Town Hall Environmental Promotion Division)	<ul style="list-style-type: none"> Small Rechargeable Batteries Lithium ion batteries (Li-ion) Nickel-metal hydride batteries (Ni-MH) Nickel cadmium batteries (Ni-Cd) Rechargeable batteries 	<ul style="list-style-type: none"> Collection time is 8:30 am to 5:15 pm on weekdays. <u>To avoid exposing the metal terminal, Cover the ends of the battery with plastic tape prior to bringing to the Environmental Promotion Division at the Seika Town Hall (3rd Floor).</u>
Used Electronic Devices		Collection location's opening days	16 types of items (see town website [Japanese] or call the Environmental Promotion Division for details) <ul style="list-style-type: none"> Small electronics that can fit in disposal boxes(25 cm by 15 cm) Cellphones/tablets, handheld game consoles, phones/fax machines, digital cameras/video recorders, electronic dictionaries, laptops etc. 	<ul style="list-style-type: none"> Collection locations: Seika Town Office, Seika Town Community Hall, Kashinoki-en, Mukunoki Center, MEGA Don Quijote UNY Seikadai, COOP (Hosono), and Keihanna Plaza Items in this category that are too big to be disposed of in collection boxes should be brought to the Environmental Promotion Division. When disposing a device containing personal information, please be sure to delete all information beforehand.
Items Containing Mercury		Weekdays (Environmental Promotion Division, Town Office, 3F)	Clinical thermometers, temperature thermometers, and blood pressure monitors containing mercury	<ul style="list-style-type: none"> Collected weekdays from 8:30AM to 5:15PM. Place in collection box. In order to prevent breakage, dispose in a case if available.
Special Collection (Additional Fees apply)		Every Wednesday (excluding holidays)	Applicable for burnable garbage, non-burnable garbage and oversized garbage Contact the Environmental Promotion Division at TEL: 0774-95-1925 (Weekdays from 8:30 am to 5:15 pm) 2-ton truck.....¥ 16,000 Light truck.....¥ 4,000	<ul style="list-style-type: none"> Call the Environmental Promotion Division at least one day in advance for appointments (weekdays 8:30 am to 5:15 pm) TEL: 0774-95-1925 Appointments are on a first-come-first-served basis, so there may be times where we cannot accommodate your desired date/time. Please separate and put any waste you want to be picked up in front of your home and be present on the collection day. Waste cannot be carried from inside the home.
Disposal of Pet (Cat/Dog) Remains		Contact the Environmental Promotion Division at TEL: 0774-95-1925 (weekdays from 8:30 am to 5:15 pm) FEE: Collection from home.....¥ 3,000 per collection Collection at Town Office.....¥ 2,000 per collection		<ul style="list-style-type: none"> Wrap remains in vinyl/plastic bag and then place in a cardboard box for collection. Collection not available on weekends or holidays.

5	Jan. 13 (Wed.)	Jan. 27 (Wed.)	Jan. 20 (Wed.)	Feb. 10 (Wed.)	Feb. 3 (Wed.)	March 3 (Wed.)	March 17 (Wed.)	March 13 (Sat.)	Feb. 27 (Sat.)	Feb. 13 (Sat.)

*Underlined dates indicate dates that differ from the typical garbage collection schedule. Please put out by 8 a.m. on the collection day.

*Items that cannot be disposed of: Business waste (waste from restaurants, construction, offices or any other waste produced from business activities), tires, batteries, used oil, fire extinguishers, paint, fertilizers, mulch/weed growth prevention sheets, chemicals, construction waste materials, extremely large or heavy items, recyclable home appliances (air conditioners, televisions, refrigerators, and washing/drying machines), cement blocks, dirt, etc.

*Scrap material and waste from home improvement projects, car maintenance, large tree and yard waste are considered construction or commercial waste and must be disposed of accordingly, as they do not meet the criteria of acceptable waste for garbage collection.

INQUIRIES: Environmental Promotion Division TEL: 0774-95-1925 (direct) (Japanese only) FAX: 0774-95-3973

*If you no longer need this print-out, please dispose of it as a paper product.

Seika Town Garbage Sorting Smartphone Application

Home Screen

You can check the upcoming collection dates of each garbage type.

Garbage Sorting Dictionary

You can look up how to dispose different items.

Garbage Disposal Procedure

You can check how to dispose different kinds of waste.

[For iPhone]

[For Android]

Seika Town Garbage Sorting App

Seika Town has a garbage sorting app since November of 2021. This app has many different convenient features including: a garbage calendar for each area in Seika, a garbage sorting dictionary that can help you to make sure that you are sorting your garbage correctly, and an alert function that will remind you when collection day is. You can download the app by scanning one of the QR codes to the left or by looking up "Seika Town gomibunbetsu apuri" on the app store.

Be Careful of How You Throw Away Garbage

For Dividing Non-burnable Garbage & Oversized Garbage

Items that you can put in 45 liter trash bag and are able to tie up the opening, can be thrown it out as **"non-burnable garbage."**

For items that are too big for a 45 liter bag, throw them out as **"oversized garbage."**

Often Mistaken Trash

Put these into a trash bag and dispose of as "non-burnable garbage."

Cans, Scrap Metal, & Small Electronics

Cellphones, Clocks, Game Consoles, Dryers, Digital Cameras, Electrical Cables, Extension Cords, Fry pans, Pots, Kettles, etc.

Bottles & Glass

Flower pots (ceramic), Pottery/Vases, Light bulbs/fluorescent bulbs, etc.

Plastic Garbage

Gas cans, Buckets, Wash Basins (plastic), Flower pots (plastic), Small-sized cooler boxes, etc.

Oversized Garbage Limit

You may dispose up to 5 pieces of oversized garbage at a time.

If you are throwing out a large amount of garbage at once due to moving, cleaning, etc., please utilize special collection or bring it in to a disposal facility yourself. *For more information, please check pg. 15 of the garbage sorting dictionary.

We Appreciate Your Cooperation.
