The Honorable Cindy Rosenthal
City of Norman

Norman, OK 73070

May 22, 2013

Dear Mayor Rosenthal:

Having read via television and print media about the large tornado that hit Oklahoma on May 20th, I am deeply shocked to learn of the wide extent of the devastation and greatly worried about the possibility of damage within Norman. I understand that the emotional impact of this ordeal on the people of Norman must be extensive as well.

I would like to extend my utmost sympathy for all victims of this disaster. From the bottom of my heart, I pray that those affected are able to recover as quickly as possible.

Sincerely,

木村 要
